Welcome to Bristol

International Café meets on Friday evenings from 6.30 – 9.00pm in the Old School Rooms, The Green, Stoke Gifford, BS34 8PD

It is a friendly place to meet other Internationals and British people. It is for students and others, their friends and families.

It's a place to practise your English, relax, socialise, play board games and learn about new things. A place to chat, drink coffee, tea and soft drinks.

Sometimes we will have evenings focused on a topic of interest or have a meal together

The Old School Rooms is situated in North Road, near Parkway Station, on the far side of the village green. It is just 20 minutes walk from the student village on UWE Campus. International Café is run by members of St Michael's Church, and Bridge Church but it is for those of any religion or none

You can find practical help here as well. Where to buy things, help with bus routes etc. For further details please contact Elizabeth or Siew Sheah: int_cafe@hotmail.co.uk or call St. Michael's Office on (0117) 969 2486.
